

March 2010

## Kinetik Launches USDA Certified Organic Glycerin!

We are pleased to announce the latest addition to our natural product line, Organic Glycerin. Our "palm-free" Organic Glycerin is certified by both the USDA National Organic Program and Ecocert.

Derived from Karanja, a cousin of Neem, this tree is a sustainable source native to India. The Karanja tree is renewable and a readily available resource that has traditionally been used for therapeutic purposes.

Benefits to Organic Glycerin:

- Certified by the USDA National Organic Program
- Sustainably harvested
- Ecocert approved
- Non Palm-derived

## Kinetik Announces Partnership with Interaxion

Kinetik has formed a strategic partnership with Interaxion to distribute their ingredients in North America. In addition to their Organic Glycerin, Interaxion has an extensive line of natural exfoliating powders that improve circulation and rejuvenate skin while removing dead cells.

Following are our Exfoliating Powders:

- Organic Almond
- Apricot (Organic and Standard)
- Bamboo
- Coconut
- Luffa 30 Natural
- Olive
- Peach
- Pearl
- Pomegranate (Organic and Standard)
- Pumice
- Rhyolite
- Rice (Organic and Standard)
- Rose Hips (Organic and Standard)
- Shea Organic
- Volcanic Polynesian Sand
- Walnut

To request a sample of any exfoliating powders, please [click here](#) and list the products you'd like to receive.
